FROM THE PASTORS DESK

Furloughs and Fiscal Challenges

As you have heard in the bulletin beginning in July your parish staff will begin taking furlough days in order for the Parish to have a balanced budget. Your finance committee and pastoral council sincerely hope that our Sunday offerings will be sufficient to delay the furloughs and restore the hours of ministry and service provided by your part time and full time staff. During the 2010-2011 budget year we will need 13,000 per week in Sunday stewardship offerings to balance the budget and relax the furloughs.

Father's Day

Bless those men whose names and virtues we recall and honor this day. May they stand with us as worthy guides on our earthly pilgrimage. Bless and strengthen those still living. Welcome those who have died into the company of saints.

Fr. Jack to attend Engaged Workshop

This coming week I will be attending the annual priest days meetings at Ocean Shores. We will be looking at ways to invite more parishioners to a deeper engagement with the parish.

This will literally be our last priest days with our current Archbishop, as he has submitted his retirement request to the Vatican. Bishops must submit their retirement request at 75.

There will be communion services on Wednesday and Thursday. Please call the parish in case of emergencies.

Parish Library

As we wait for summers arrival, perhaps you are thinking of summer reading. Along with a good beach novel or two, consider the excellent spiritual, biblical and personal renewal offerings in our parish library located conveniently just beyond the men's restroom in the church.

-Fr. Jack

STEWARDSHIP CORNER

THIS WEEK: STEWARDSHIP SIGHTINGS AT OLG

Stewardship in Scripture

Stewardship has been described as the “pull and power of the Gospel come alive” by the US Bishops. Stewardship is grounded in the gospel message and as such it is reflected in some way in the readings (Old Testament, New Testament Letter, Gospel) we hear proclaimed each Sunday. Here is a look at one of the readings for this weekend through a “stewardship” lens.

June 20th (from Luke’s Gospel)

“For whoever wishes to save his life will lose it, but whoever loses his life for my sake will save it.” The challenge of stewardship is found in the *giving up*. Giving up the urge to hold on to our time, or talent, or treasure. Giving up the desire to control how these are used to support parish life and ministry. The comfort and grace of God experienced through stewardship comes from the very same *giving up*.

PRAYERS OF REMEMBRANCE

If you are wondering about the new little box with the cross in the alter area. It is where all the Sunday envelopes with contributions made in remembrance of someone are going to be kept. They will be there for the month of the remembrance.

Look for it to be there holding Father’s Day names, plus others recently submitted. It will serve as a symbol to help us keep them all remembered in our prayers.

PETER'S PENCE COLLECTION

This week our diocese will take up the Peter's Pence Collection, which provides the Holy Father with the assistance he needs to carry out his most important charitable works. The proceeds benefit the most disadvantaged: victims of war, oppression, and disasters. Through your generosity, with Pope Benedict we can cast the love of Christ upon the world.

QUO VADIS DAYS

Attention all Catholic young men ages 13-18! Do you know where your life is going? The Lord Jesus has a great plan for you! You are invited to attend Quo Vadis Days camp to spend time with other young men your age looking at the Lord's call in your life while supported by the Archdiocesan Office of Vocations. Archbishop Brunett will join us on June 30th at Camp Don Bosco near Carnation, WA. The cost of the camp will be covered by the Sierra Club and the Knights of Columbus. Please contact Fr. Derek Lappe at frdlappe@starofthesea.net or check us out at www.gvdays.org if you are interested. All registration is online!

KEY HOLDER HOUSING OPPORTUNITY

Santa Teresita Family Housing in West Seattle is a project of Catholic Housing Services, and has an opening for a key holder. The position has a great 2 bedroom townhome apartment (one year new) on site and light duties of assisting residents if needed when staff is not available. Rent is very reasonable and the position receives a stipend as well. If interested please contact Kathy Kautzky or Robb Petersen at Santa Teresita for further information. Phone 206 767-2005 or KathyK@ccsw.org

YOUR CAMPAIGN QUESTIONS ANSWERED

Last week's after-Mass receptions unveiled the architect's renderings of our new Parish Life Center and Gymnasium, generated lots of excitement and also gave us the opportunity to answer some questions from parishioners about the project and the *Building for Our Future Campaign* that will fund it.

Several of you had great suggestions for how we might use the building. We are logging every single idea and will also have volunteer opportunities and other meetings later this fall specifically to brainstorm building uses for all generations and purposes.

Others told us that when they donated to the first campaign, they believed the Parish Life Center/Gym would be built before our new Pastoral Center that houses administrative offices and meeting space. Unfortunately, the dilapidated 50-year-old building that housed our Parish offices fell into further disrepair and demanded immediate attention. We believed it was the most cost efficient and responsible move to build the Pastoral Center first. We apologize that we may not have communicated these needs as effectively as we could have when the decision was made.

And speaking of communication, within the next few weeks, we be setting up a Campaign website and developing other materials that will provide additional opportunities for you to get answers to your questions plus news and updates on the project and Campaign. Stay tuned to the Bulletin to learn when that new website will be ready.

In the mean time, if you have questions, please ask Father Jack or email us at campaign@olgseattle.org.
