### **What Is Happening In Holy Week**

This Sunday we read the passion of our Lord Jesus Christ, the ultimate statement of God's love for humanity. This love of God for us never wanes or grows weary. Thursday, the celebration of the Lord's Supper is an invitation unlike any you have received in your life. We celebrate the Lord's presence in the bread and wine changed into His body and blood, the gathering of the community where two or three are gathered in my name, and the amazing presence of Christ found in foot washing service for others. On Friday, Good Friday, again we read of the Lord's Passion and then the waiting in the upper room for the very life of God to touch the disciples. On Easter Sunday we encounter a love that death cannot destroy. A love that cannot be kept down. A power to bring new life that lasts forever.

I look forward to celebrating this Holy Week with you.
